OBJECTIVE

I am seeking a role on a vessel as master/officer with a focus on yachting/cruising ship. I am in the stage of stepping to officer role on superyachts/ships from 30m range yachts. My expertise includes operating both sailing and motor yachts, as well as overseeing various aspects of the vessel, including the engine room and conducting repairs and maintenance both on land and at sea.

PERSONAL PROFILE

With a lifelong immersion in the maritime domain, I have cultivated an unwavering dedication to my craft. The sea has been my true passion since childhood, driving me to accumulate diverse professional experiences that have honed my indispensable attributes as a captain. Through these endeavors, I have fortified my prowess in leadership and team development, emerging stronger and more resolute than ever before. Thriving in collaborative environments, I wholeheartedly embrace the role of a team player, relishing the opportunity to work alongside individuals from all walks of life. Eager to continually refine my skills and capabilities as a captain, I am enthusiastic about the prospect of embarking on a new journey, where I can elevate my proficiency and contribute my utmost to an esteemed organization.
